

GREY PARTRIDGE

A hidden gem of our countryside.
Let's help bring them back! ♥

5 QUICK FACTS

①

Grey partridges
were once common
across Ireland.

②

Their numbers
have dropped
in recent years.

③

They eat seeds,
insects and
small plants.

④

They nest on the
ground in long grass
or crops.

⑤

We can all help
by looking after
their habitat.
